

## Flexi Desk

A cost-effective first step for your business

### What are Flexi Desks?

Shared and networked workstations, with services provided by our first-class Business Centres.

### Main Benefits

- ▶ Minimise your business overheads
- ▶ Low risk - an ideal way to test the market
- ▶ Serviced by an advanced telecommunication infrastructure
- ▶ Upgrade to Executive Office available

## Flexi Facility Package

### What Does a Flexi Desk Include?

- ▶ Licence to operate a business at RAK FTZ (Commercial Licence)
- ▶ Private company email address
- ▶ Furnished and semi-enclosed workstations
- ▶ Fax and mail handling services
- ▶ One executive desk and chair
- ▶ Shared fax number and P.O. Box
- ▶ One shared computer - or use your laptop
- ▶ Five hours of free usage per week
- ▶ High speed internet network
- ▶ Use on a prior booking basis
- ▶ Dedicated phone number
- ▶ Parking facilities

Clients may book the facilities for additional hours at nominal costs. Clients must register with a RAK Business Centre to acquire services.

The majority of Flexi Facilities are located at RAK FTZ Business Centre in Ras Al Khaimah. Additional facilities and services are also available at our Business Centres in Fairmont and Twin Towers, Dubai - for further details, please consult the **Business Centres** flyer.

Clients with a Flexi Desk package are not eligible for a Residence Visa. For details on fees, please consult the **Pricing** flyer.
